Dear Sisters and Brothers in Christ,

Merry Christmas, and Happy New Year!

I say this too often, but it always feels true. Time just goes too fast! The season of Advent was a whirlwind, and both Christmas Eve and Christmas Day were over as quickly as they had come.

We are, of course, still in the season of Christmas as we begin this new year. But before we know it, the journey to Bethlehem will be in the rearview mirror and the journey to the cross will be before us. After all, this year, the season of Lent begins in February with Ash Wednesday falling on February 18. And yet, it is important to not rush too quickly ahead. That time in between Advent and Christmas and Lent and Easter is simply too special for us to miss.

Known as the season after Epiphany, that in-between time always begins 12 days after Christmas on January 6, the date that is marked as the Epiphany of the Lord and commemorates the magi's search for the newborn King of the Jews, and continues until Ash Wednesday. It is a season that celebrates God's manifestation to all of creation in the person of Jesus. Indeed, the word 'epiphany' means 'appearance' or 'manifestation.'

An important symbol of this season is light. And so, the season after Epiphany is sometimes called the season of light. (The Greek word for 'epiphany' comes from the Greek word for 'sunrise' or 'dawn.' For readers of Greek, then, the season after Epiphany would call to mind the image of light coming into view in the midst of darkness.)

Now, we may not be fluent in Greek, but we, too, draw this same connection in our weekly worship and study. Throughout the season after Epiphany, we read and reflect upon stories in which God's light is revealed to the world through Jesus, including the stories of Jesus' baptism and his transfiguration. At the same time, we are invited to witness to that same light through our own word and work.

This does require something more of us though. If we are to witness to God's light in this broken and fearful world, we must be willing to keep our eyes peeled for God's light in our midst. Through Scripture, God has promised that it is there even when it seems difficult to find. Indeed, God assures us that there is no darkness that can overtake it.

Have a blessed Epiphanytide, my friends.

Rev. Emily

"The light shines in the darkness, and the darkness did not overtake it."
- John 1:5, NRSVue

SESSION HIGHLIGHTS

The Stated Session Meeting was held on December 9th.

A Special Session Meeting was held on December 16th.

The following actions were taken:

-Approved the 2026 Revenue Sharing Contract with Winneconne Thrift & Gift Store. First Presbyterian will continue to staff the store on the 4th Saturday of each month.

-Approved the request from Bible Baptist Church to use the sanctuary on the afternoons of December 13 and 20 for the purpose of practicing a children's Christmas program.

-Approved the hiring of Graham Goland for snow removal this winter.

-Voted to adopt the revised version of the Safe Church Policy as presented on December 9th. Verbal approval was given for the Background Information Disclosure Form and the Report of Suspected Incident of Abuse Form. The documents will be available in the church office.

-Voted to approve the communion schedule for 2026, which includes the first Sunday of each month as well as Shrove Tuesday, Maundy Thursday and Christmas Eve.

-Voted to elect RE Jessica Harrison as the Commissioner to meetings of Winnebago Presbytery in 2026.

-Voted to elect Robert Dinse as the Treasurer for 2026.

-The election of a Clerk was tabled until the January 2026 meeting.

-Reviewed and approved the proposed budget for 2026. This budget includes a 2.5-3.0% increase for all paid staff, both those paid at an hourly rate and those receiving a monthly stipend. The pastor's Terms of Call were previously approved at the congregational meeting held on November 9th.

-Received information regarding a 22% increase in the insurance premium for 2026. Additional conversations were initiated with the insurance company contact person. Upon receiving more information, Session voted to increase the deductible on any future claims and remove a blanket clause that covered multiple buildings. These two actions will keep the 2026 monthly premium in line with what we have paid in 2025.
